

Birthday Party Packages

Palatine Park District parties feature creative staff, terrific ideas, and a great setting to make your child's birthday memorable. Each party package includes a two-hour facility rental, themed activities, activity materials, and an instructor for the first hour. You supply the food, beverages, paper goods, and guests — we will supply the fun! Parties are only available on the weekends.

The maintenance deposit will be refunded after the party (provided the room has been left in good condition and program rules were followed). Cancellations made less than 10 business days before the party will result in only a 50% refund of the deposit.

*If you exceed the maximum number of children, your \$100 maintenance deposit will be cashed. No exceptions.

OnLine Registration is not available for this program.
