What kind of activities will my child do at C.A.R.E.? The program is structured to be relaxed and recreational to counterbalance the educational activities during the school day. We offer quality childcare with a variety of structured and non-structured activities including: arts, crafts, sports, active games, outdoor play and games they can play with their peers, such as card or board games. Children are also given time to work on homework.

How will my child find C.A.R.E. after school? On your child's first day at C.A.R.E. a school or C.A.R.E. staff member will walk him/her to the C.A.R.E. room. Once the children are comfortable they may come on their own. For the Morning Kindergarten Add-On Programs, kindergartners will be escorted to and from the bus by staff all year.

What if my child requires medication while they are at C.A.R.E.? Parents must fill out the Medication Authorization Form. Forms are available at the C.A.R.E. site, and at the Palatine Park District. These forms allow our staff to administer the medication during C.A.R.E. hours.

If your child is placed on a wait list for C.A.R.E. the Park District will notify you if a spot becomes available if someone drops from the program at your child's school C.A.R.E. site. It is strongly recommended that you enroll your child in alternate child care in the community as spots may not become available during the school year.
