## District Profile

### **History:**

The Park District was founded in 1945 and is principally located in the Village of Palatine. At that time, the population was 3,000. Two years later, in 1947, the District acquired its first park, Community Park, and offered five recreation programs/classes. In 1962, the District employed its first full-time director and by 1964 had adopted its first master plan.

However, it was the eight-year period from 1966 through 1974 when park growth was really established. During that eight-year period, projects included the Palatine Hills Golf Course and Birchwood Recreation Center, fourteen parks, the Palatine Trail and the second pool at Community Park. After consolidating with the Palatine Rural Park District in 1975, the District purchased and renovated its present location on Wood Street (previously Palatine High School). Over the last several years, the District has seen its population grow to slightly more than 83,000. The major highlights during that period include the Combined Service Facility (shared with the Public Works department of the Village) and most recently the development of Falcon Park Recreation Center. The recently completed Intergovernmental Agreement to utilize Harper Junior College's facilities as part of a joint venture and the Comprehensive Master Plan completed in 2015 will be the cornerstone upon which the next chapters of the District's development will be written.

### **Governance:**

A five-member volunteer Board of Commissioners establishes Park District policy and strategic direction and creates the ordinances that govern the Park District. Commissioners serve staggered terms of six years with elections every two years. The Board determines the long-term direction of the Park District, elects Board officers, and appoints the Executive Director as well as the District's attorney and auditor. With occasional exceptions, the Park Board meets on the second and fourth Tuesday of each month.

### **Population:**

As there is not an official census taken for the Park District, based upon the most recent available information, the Park District serves a population of approximately 83,000.

### **Boundaries:**

The District is in north suburban Cook County, Illinois approximately 30 miles northwest of Chicago. In addition to the Village of Palatine, the District serves portions of the Village of Arlington Heights, the City of Rolling Meadows, the Village of Schaumburg, the Village of Deer Park, the Village of Hoffman Estates, and the Village of Inverness.

### **Demographics:**

The Park District serves an educated community with a median household income of \$86,415 and a median home value of \$292,644 (Palatine only) both of which are above the County and State Averages. The Palatine Park District has approximately 37,000 housing units. The composition of the Community is 61.8% Caucasian, 19.8% Hispanic or Latino, 12.1% Asian, and 4.3% Black. The remaining 2% are multi-cultural.

## **Real Estate:**

The 2023 Equalized Assessed Valuation (EAV) (last available) of real estate is \$2,792,779,800.

## **Tax Rate:**

The 2023 tax rate (last available) was \$0.649 per \$100 of assessed value.

## **Debt Rating:**

The Park District occasionally issues General Obligation Bonds or Debt Certificates for capital improvements and holds an Aa1 bond rating from Moody's Investors Service as of the last rating in 2017. The District first earned the upgrade to Aa1 (from Aa2) in 2011. Based on the District's public financial records, no further rating update has been deemed necessary.

## **Park Resources:**

The District owns approximately 462 acres of land and leases an additional 344 acres from multiple sources. The District operates and maintains over 52 parks and facilities, including an 18-hole championship golf course with pro shop, clubhouse and driving range (Palatine Hills); a fitness center; a 49,000 square foot recreation center with indoor athletic field; three pools, including a family aquatic center; bicycle, hiking and nature trail (Palatine Trail); 430-seat auditorium (Cutting Hall); an outdoor amphitheater (Fred P. Hall Amphitheater); and a historic museum (Clayson House Museum). Beginning in 2018, the District will have access to the Pool at Harper College for which it is making a \$9 million capital investment.

## **Programs/Facilities:**

Annually, the District offers over 2,000 recreational, arts, and community programs for all ages. Programs include summer camps, community and family events, music and art lessons, and a variety of athletic programming.

Additionally, the Park District works with several affiliates to provide additional recreational opportunities in baseball, football, lacrosse, biking, rugby, and soccer. The District also supports the Palatine Historical Society and the Palatine Township Senior Center.

Other Recreational opportunities that are not program related include golf (Palatine Hills), disc golf, outdoor fitness areas, tennis, outdoor pickleball, outdoor basketball and entertainment at its auditorium (Cutting Hall) and amphitheater (Fred P. Hall).

The Park District is a vital part of the community and pays close attention to trying to meet the needs of all of its residents. As the population ages, the Park District's focus on suitable program offerings and customer service will establish and increase goodwill within the community.

The Park District is a member of the Northwest Special Recreation Association (NWSRA) to provide recreational activities for residents with special needs.

## **Community Outreach:**

For the benefit of the community and to increase efficiencies, the District has entered into intergovernmental Agreements for shared resources and facilities. The District further supports community groups and serves on the Chamber of Commerce, International Rotary Club, Kiwanis, Palatine Jaycees, and Lion's Club among others. Perhaps the largest of these agreements is for a shared facility with the Village of Palatine's Public Works Department and the District's Parks Department. This budget will reflect the first payment to the Village on its ten-year agreement to upgrade its facility.

There shall be no fees charged for any FOIA request under the first fifty (50) pages of requested public records in black and white, letter sized or legal paper sized copies.

Fees for copies of public records that exceed fifty (50) pages, in a particular instance, on letter or legal size paper, shall be calculated at a rate of 15 cents per page.
