- * Eagle offers five-day option.

**CLASSES BEGIN
SEPTEMBER 2026**

Preschool offers activities and experiences that help children socialize and get ready for kindergarten. Hands on and developmentally appropriate activities in the areas of math, pre-reading, pre-writing, science, art, and large and small motor skills are offered throughout the preschool day. Children will also learn how to make friends and be a part of a group.

Some of the classes are mixed age, meaning 3 and 4 years olds are together in the same classroom. There are many great benefits to this kind of class. The older children learn to help their younger friends, and the younger children learn from the older ones.

Lunch enrichment offers time to further improve pre-kindergarten skills. Children should bring a peanut-free lunch and a drink. The cost of lunch enrichment will be paid monthly. Days and times listed by location. Note that lunch enrichment may begin a few weeks later than preschool and end a week before preschool does.
